

COACHING CLINIC PRIZE FOR SMS QUIZ WINNER

If on Thursday (16/9), children practiced tennis players **Karolina Sprem, Francesca Schiavone, Alicia Molik, and Jeffrey Scott** (Resident Tennis Director **The Westin Resort, Nusa Dua**), today (17/9) the adults, **Yudi** and **Mario** also received coaching. The two men who work in tourism are the www.wismilakinternational.com quiz winners. Coaching clinic at Court 2 is the prize because they had answered questions about tennis correctly through the e-newsletter.

Similar to yesterday, Jeffrey also initiated the training with a humorous briefing . *“Come everyone, lets warm up, run, do a hundred sit ups and push ups!”* says Jeffrey, bringing a laugh from Yudi and Mario. Mario and Jeffrey then trained together. But after only fifteen minutes, Mario resigned to rest. Mario claims he did not warm up enough and lost his breath. Then it was Yudi's turn to train with Jeffrey. Similar to Mario, Yudi also 'gave up' after 15 minutes, exhausted. The three of them then took a break, while discussing tennis techniques.

The climate that afternoon was very hot. The sun was scorching. Training became exhausting because there were no ballboys, so they had to collect their own balls and place them into the can. Mario and Yudi looked exhausted. While Jeffrey seemed fit. *“He is really a superman. Very strong!”* comments Mario pointing at Jeffrey, who merely smiled at the compliment. Jeffrey than invited Yudi and Mario to train again. But Yudi refused, saying he was tired. Then Mario and Jeffrey completed the 30 minute training.

“This (training) is really difficult! It is not as easy as it looks,” says Yudi, whom although exhausted but was delighted because he learned many techniques from Jeffrey, especially about backhand and forehand techniques. Although the training was not optimal due to exhaustion, Jeffrey praised his two 'students'. *“They played really well. They're very good. If they become professional tennis players,as the trainer I want a 20 percent commission!”* says Jeffrey. The three then set up an appointment to meet again at The Westin Resort tennis court for training.

Editor's Notes :

Since its debut in 1994, the Wismilak International, part of the worldwide Sony Ericsson WTA Tour, has been held in Surabaya, Kuala Lumpur, and now Bali. Initially the event was named the "Wismilak Open", before changing its name to the "Wismilak International" in 1996 as a reflection of the organiser's corporate expansion into the international market. The Wismilak International is still the largest tournament in the WTA's calendar in South East Asia. For more information please visit www.wismilakinternational.com
